

Geocache Challenge

February 3-4, 2007

Spring Mill State Park

Visit the most significant areas of Spring Mill State Park on this unique, multi-stage geocache challenge!

Each cache in the challenge contains a different item, representing that area of the park, for you to take home!

Don't Delay! There are a limited number of items in each cache to be claimed... Drop by the Nature Center between 10:00am and 5:00pm on either day to get the coordinates to the first cache.
